

COMMUNITY FORKLIFT

2023 COMMUNITY BUILDING BLOCKS PROGRAM FACTSHEET

Community Forklift provides free materials to community groups for local projects through our Community Building Blocks Program (CBB). Here's an overview of what we accomplished in 2023.

The nonprofit AbodesJoy teaches women the skills they need to repair and maintain their homes. Through our Community Building Blocks program, we provided them with free toilets for their Women's Home Repair Training Program.

“We started with one hive. Thanks to the generous donation from Community Forklift we added frames and now have three healthy hives.”

— Diana Guelespe, Cottage City Community Garden Volunteer Co-leader. Through our Community Building Blocks program, we provided Cottage City Community Garden with beehive equipment, frames, and more.
